

## CLASSROOM INFORMATION

\*If you plan to send a birthday treat for your child's birthday, please make sure the treat is pre-packaged. Homemade treats are not allowed because of the school codes. There are \_\_\_\_\_ students in Kindergarten, 1st, and 2nd grade.

\*We will have class treats daily with our milk. I will send home a monthly treat calendar. Each child, including myself, will need to send a treat approximately twice a month. Treats must be prepackaged and not homemade because of school codes. The Dollar Store has great, inexpensive treats. Some great treat ideas are: raisins, animal crackers, vanilla wafer cookies, pretzel sticks, etc...

\*Headphones: your child will go to computers daily strengthening their reading and mathematical skills. Purchasing a good pair of headphones should last your child all year if

they are careful with them (approximately \$5). I don't recommend the earbuds. They don't fit well in their little ears.

\*Classroom Parties: We will have three (3) class parties this year: Halloween Party, Winter Party, and Valentine Party. Further information will be sent home prior to the parties.

Please contact me if you have any questions.

Mrs. Roach
