

April Newsletter: Mrs. Roach

1st and 2nd graders are doing a great job in Language Arts and Writing. They've practiced capitalization and punctuation activities on Nearpod with Mrs. Graham, I'm so proud of them!

1st and 2nd graders will have Spelling Tests the week of April 11-14, and April 25-29. Please practice quizzing your child on spelling words throughout the week.

RTI: Students are really improving their math and reading skills. A few students have moved out of RTI, keep up the good work!
