

Lostant School is excited to announce that once again summer school will be offered. We believe that all students should attend this year because they have not been in school since March 16th. Students will participate in music and/or art, reading, and math activities. Please complete the attached document and return it in the Assignment Bin located at the front door of the school anytime on Thursday's or Friday mornings. We would like your reply by May 22nd.
