Re: Vaccine clinic for children ages 5-18 at Lostant School

Dear Parent/Guardian,

We have been working with our Covid-19 Vaccination Site Coordinator and our Illinois Emergency Management Agency (IEMA) Representative to offer a FREE vaccination clinic for our students.

We will have two clinics scheduled. Our first clinic will be Thursday, November 18th (first dose). Our second clinic will be Thursday, December 16th (second dose).

Students receiving vaccines are required to have a parent present and complete the consent form. Children between the ages of 5-18 can receive a vaccine at the clinic. Parents can receive vaccines too.

The day of the clinic, the students receiving their vaccines will meet their parents in the gym. Once the vaccine is given and the student is cleared by the nurse and their parent, the student will return to class.

In order to prepare for the two vaccination clinics, please complete the back side of this letter for EACH of your children and return it to school by this Wednesday, November 10th.

Sincerely,

Mrs. Goddard

Principal

Lostant School Covid-19 Vaccination Clinic

Student's Name: _____

Please **CHECK** the option(s) that applies.

_____ No, I do NOT want my child to receive a vaccine.

_____ Yes, I would like my child to receive a vaccine. I would prefer the following vaccine for my child (if available):

_____ Moderna

_____ Pfizer

_____ I, or we the parents, would like to receive a vaccine as well.

Print Parent Name: _____

Print Parent Name: _____

Parent Signature: _____ Date: _____

Once all the forms are collected, Ms. Krista will be calling to schedule time slots. If you have multiple children, we will be scheduling your appointments together.

The required document for the clinic will be sent home with a reminder note (which will state the clinic day and appointment time).

Any questions, please call the school.
